TRAINING APPLICATION FORM

The following section need only be completed if you do not already have a recognised proficiency rating (see previous)

Can you operate a RC model aircraft proficiently? YES NO

Would you object to a test flight? YES NO

If the answers to either of the above questions are "No" then:

Do you wish to follow an instruction course? YES NO

Have you already negotiated with an instructor YES NO Name

For the purpose of identifying a suitable instructor for you, please provide the following information:

If you own a Radio, what make is it?

Do you own a "buddy chord" for your radio?

Please identify the category of aircraft you require instruction for:

| | | |
|--------------------|------------------------|--------------------------------|
| IC Powered (Sport) | Electric Powered (ROG) | Electric Powered (hand launch) |
| Thermal glider | Slope glider | Helicopter |

Please note that you need to provide your own radio and aircraft suitable for instruction purposes – each instructor to perform an airworthiness check prior to flight, at their own discretion. All instruction expenses will be for the cost of the individual student pilot. The WHRF club does not accept liability for any damages to aircraft or person that occurs during instruction, or as a result of instruction.
